When I was younger I was in an organization called the guides. Guides are girls who are between 10 and 14 who get together $\qquad$ a week to do things like have competitions and play games and go camping and generally just have fun together. I really enjoyed being in the guides. There's a similar organization called the scouts for boys although I think these days girls can be scouts and maybe boys can be guides - I'm not sure.

Anyway I used to go $\qquad$ quite a lot with guides. I remember I went one weekend and it was the same weekend as my birthday and I was going to be 13 that weekend. We had a really good weekend and we cooked different things and we games and we didn't really get much sleep as you generally don't when you're sleeping in a tent with a lot of people of your age you tend to stay up all night.
So on my birthday which was the Sunday, everybody sang Happy Birthday to me and they gave me a cake and they wrote on a $\qquad$ for me and I had a really nice day.
That evening I went home and I was so tired and I started to unpack my things. And then the doorbell rang and my friend arrived and then one by one - it was very strange-all of my friends arrived, and what had happened was my parents had organized a surprise birthday
$\qquad$ for me! I was so $\qquad$ but I was also very smelly.
I hadn't had a shower for the whole weekend. We had a great time, we went bowling and it was really a day to remember

He also helped his club team Barcelona (win - won - winning ) the European Champions League and the World Club Championship. Messi grew up playing football. He joined his first club when he was five.
(At - In - From ) the age of eight, he signed up for the famous Newell's Old Boys' youth team.
His ( team - career - match ) nearly ended when doctors found out he suffered from a growth hormone deficiency.

( Luck - Lucky - Luckily ), agents from Barcelona saw his talent and in 2000, he moved to Spain. The Catalan club paid for his medical treatment and coached him until he made his Barcelona debut. Lionel started breaking (rules - cups - records) as soon as he played his first game for Barcelona in the 2004-05 season. Many football experts compare him to the legendary Pele and Maradona and even think he is much more ( good - better - best ). This World Cup could be the stage for him to show people he really is the best. His skills on the ball, ability
to get past defenders and his goal-scoring are breathtaking. Top soccer coach Arsene Wenger said Messi is "like a PlayStation. He takes advantage of every mistake teams make".
